

SPONSORED SCREENINGS

The festival showcases a variety of content throughout the week, as well as partner with film studios, television networks and production companies to promote upcoming releases.

1. **Opening Night Film** – A premiere of an upcoming release, courtesy of a major motion picture studio in association with the MPAA.
2. **Spotlight Screenings** – Film studios and television networks present advance screenings of their show and films. Includes talent appearances, branded photos and onstage speaking opportunities.
3. **Partner Screenings** – Special screenings of film and television content, courtesy of independent production companies and digital studios.
